

Renewal Admission Procedure:

1. Click on Renewal Admission button.
2. Here you will get New Enrolment button. Click on it.
3. Fill the necessary field with the valid Admission Renewal code which will be provided by the College.
4. One student can use only one Mobile number which will be used as his/her USER ID.
5. Put your own password (which will be used later on). Remember this password for later use.
6. Click on Register button.
7. After Registration, again click on Renewal Admission button. Put your user id (Mobile no) and password (set by you) and click on Login.
8. Then fill all necessary data and upload password photo and signature.
9. After filling all datas and photos click on save and print out the application form.
10. Student can later also print out his/her application form using userid and password on Renewal Admission button.
11. Bring the Print out Application form and submit to the college.
12. College authority will verify the Students' record and allocate respective fees for online payment.
